

July, 2016

Dear Applicants,

Additions to the Eligibility Criteria of Applicants in the “Guidelines for Applicants  
for the Graduate School of Environmental Science (Master’s Course)”

Admission in April, 2017

Admission in October, 2016

In accordance with the Ministry Ordinance Revising the Enforcement Regulations for the School Education Law (Ministry Ordinance 19, in effect from April, 2016), the following eligibility requirement was added to the “Guidelines for Applicants for the Graduate School of Environmental Science (Master’s Degrees)”.

Those who have received, or will receive by March 31, 2017 (Note 1), a bachelor’s degree or its equivalent from a university or school outside of Japan (Note 2), which requires at least 3 years for competition (Note 3).

Note 1) Those who wish to apply for “October, 2016” entry should consider the entry date as “September 30, 2016”.

Note 2) Institutions that have been evaluated by the government or by persons who have the approval of relevant organizations or designated separately to be an equivalent by the Minister of Education, Culture, Sports, Science and Technology.

Note 3) Includes those who have completed correspondence courses in the specific subject from a foreign school while living in Japan or have completed a program at an educational institution in Japan that is part of the school education system of the specific country and that is separately designated by the Minister of Education, Culture, Sports, Science and Technology.
