

<Required Documents>

【Master's Course】

■ Required Documents for All Applicants (must arrive no later than July 17th by postal mail)

- ① “Required Documents for All Divisions” on pages 3-4 of Guidelines for Applicants
- ② TOEFL, TOEIC or IELTS Score Sheets (only for those who can submit)
 - For only this Entrance Examination, tests conducted 2 years before the Examination date are also accepted.
 - For only this Entrance Examination, TOEFL-iBT Special Home Edition, TOEFL-ITP, TOEIC SW, TOEIC IP are also accepted. (TOEIC BRIDGE and TOEIC Speaking are not accepted) .
 - Regarding the submission of the score sheets, refer to “How to Submit” on page 6 of Guidelines for Applicants.
 - However, note that the score sheets of the tests conducted 2 years before the Examination date might not be reissued. In that case, submit the original score sheets that you have.
 - If you will take the coming external language tests in near future but cannot submit the score sheets by July 17th, you may send the score sheets to each division office by email no later than Tuesday, August 18th.
 - In case that the score sheets are not submitted, your English Proficiency will be evaluated by the selection method of each division. Please refer to the URL above for further details.

■ Additional Required Documents for Each Division (Note that required documents, where to submit, and deadline are different depending on divisions).

Submit required documents to the specified email address as attachment. Refer to the web Link or each division's website.

◇ Division of Environmental Science Development

- Course in Human and Ecological Systems: Research proposal and a presentation file (PowerPoint) for the Online Oral Examination
- Course in Practical Science for Environment: Short Essay

- Course in Course in Environmental Adaptation Science and Course in Global Environmental Management: A presentation file (PowerPoint) for the Online Oral Examination

◇ Division of Earth System Science

- Course in Biogeochemistry: Short Essay whose topics will be given to each applicant after application
- Course in Atmosphere-Ocean and Climate Dynamics: Assignments given to each applicant after application
- Course in Cryosphere Science: Short Essay whose topics will be sent to each applicant after application, a document written about your motivation for this course, a presentation file (PowerPoint or PDF) for the Online Oral Examination

◇ Division of Biosphere Science (for all courses)

- Self-recommendation

◇ Division of Environmental Materials Science (for all courses)

- Self-recommendation and a presentation file (PowerPoint) for the Online Oral Examination

【Doctoral Course】

■ Required Documents for All Applicants (must arrive no later than July 17th by postal mail)

As written on pages 4-5 of the “Guidelines for Applicants”. However, submitting way of TOEFL, TOEIC or IELTS Score Sheets is following.
